ANNOUNCEMENTS

- All students who are or will be four years old by September 1st must have a hearing and vision screening performed by a professional. There are forms in the office for you to get this information to us so we can keep it on file.
- Splash Days will be done biweekly this Summer! Please bring your child in their swimsuit or something they are comfortable getting wet in, water shoes, sunscreen, and bug spray if needed.
  Be sure you bring a towel and a change of clothes for after-water play.
- All School Age students will need to sign a Code of Conduct Agreement, and Parents sign a permission slip for every field trip their child will be attending.
- We ask that all parents drop their children off by 9:30 am each morning to allow every child to benefit from the routine & structure of their classroom's daily schedule. School Age must be here by 8:30, and be sure to pay attention to field trip days. We may leave earlier on field trip days than others.
- Please be sure to have an extra change of clothes (seasonally appropriate) for your child with their name on all items in their cubbies. All children are to have their own nap items, and they must be labeled and fit into their designated nap item box. Check with your child's teacher if these items need to be replaced. All children must wear closed-toed shoes with a back. Every day, no exceptions.
- Parents are encouraged to use our ProCare App to communicate with teachers regarding their children and the classrooms. If you have any other questions, please contact a member of the administration team by calling 903.561.5833 or by email.

CHECK OUT OUR NEW WEBSITE!

New Generation Learning Center has a brand NEW and updated website!

Featuring many of our incredible students and teachers - take a look to see what New Generation Learning Center is all about.
