# ANNOUNCEMENTS & REMINDERS

- Our drop-off time is no later than 9:00 a.m. unless otherwise mentions to a member or admin for a Doctors appointment.
- This is a reminder to ensure your child's spare clothes in their cubby are suitable for the weather. For children in the potty training phase, we strongly recommend having an extra set of clothes and shoes in their cubby.
- For security purposes, please always check in at the office if you are coming to visit. We need to also ensure that all pick-up persons are listed as authorized pickup options and have their photo ID present.
- We are updating enrollment forms for the new school year. Please be sure to have yours updated and returned to the front office by August 2, 2024.
- Our parents are encouraged to use our ProCare App to communicate with teachers regarding their children and classrooms. If you have any other questions, please contact an administration team member by calling 903-561-5833

## CURRICULUM CORNER

As we continue to support and enrich our student's learning journey, please remember that we follow the local ISD curriculum throughout the academic year. It's designed to foster a robust educational foundation and a love of learning for all ages. Note that while we maintain educational engagement during the summer, our curriculum shifts to accommodate more flexible and exploratory learning experiences.
